Sawa witnessed Ran and Yuri embracing each other. She tried to be cheerful so she didn't seem depressed, but she started acting unexpectedly cold towards Ran. Sawa's regretting it, but...?

AUTHOR'S WORDS

I found the adage "There's no strength for strengthening yourself." Frankly, that's like, "There're no clothes for clothes shopping." It's been one quick year since I started drawing Rock-Hev. I was surprised to realize that I'd already drawn about two seasons while passing the time normally. Well, that much I can draw in my dreams, so there's no problem. (What to do about clothes...)

SAWA'S FAMILY

# Rockin' ★Heaven

Sawa enters Amabane Academy because she admires their uniforms, but since it was originally an all-boys school, it's a lawless land of boys! There are two girls in the class. After having daily battles with the problem boys who gather around Ran, Sawa now seems to be getting along with them.

Sawa is injured when other classes were making fun of the G-group during the opening of the class matches, but because Ran protects her, a special feeling is born.

Right before the tests, everyone meets for a study session at Sawa's house, but for some reason, Ran looks depressed. Seeing Sawa is worried, Ran opens himself up and tells her he lives at home alone. As the distance between the two lessen, Ran starts avoiding Sawa because he knows Kido likes her.

Meanwhile, Sawa visits Ran, who is home sick, and the two spend some time alone together. When Kido suddenly comes over, Ran lies and says that Sawa's already gone home. The next day, Kido learns of this and says some cruel things to Ran without thinking. Sawa, after hearing from Tsubaki and the others about what happened to Ran in the past, starts working to get the boys to tell her their true motives. She realizes that she, too, wants to see Ran smile.

One day, Ran's ex-girlfriend, Yuri, appears! Sawa realizes that Yuri still likes Ran. In the midst of all this anxiety, she witnesses Ran and Yuri embracing each other...!

## WHAT'S HAPPENED UNTIL NOW.

## Greetings & About the Chapter 9 Cover Picture

Has the number of new readers decreased after all this time? Or not? At any rate, here's volume 3! It seems kind of spur-of-the-moment? (face) Ah, I forgot to say that it's Mayu's poofy... (laughs) She's dazed from New Year's!

Now then, for the chapter 9 cover picture, my personal point (?) was the profiles. The back was one shade of green, but I really like this color called G-14 Copic (alcohol-based markers) so I wanted to try coloring with that. Apple green Copics are vivid at first glance, but they're not necessary for coloring. (It's restricted by the brightness of the colors.) but among them, there are colors that oppose coloring, and I think G-14 is one of those colors.

AKIRA-CHAN!
GOOD MORNING!
...
?
WHAT'S WRONG?
NOTHING.
I JUST THOUGHT YOU'D BE MORE DEPRESSED.

3rd Day After New Year's

# 1

Today is Jan. 3rd of '07. This is Mayu poofy after New Year's.

We rushed through 2006 in no time at all! Or so I felt.

In 2007, I want to have the freedom to reflect and take it a bit at a time.

Now then, the extra at the end of volume 3 was inspired slightly by a request in a fan letter.

I wanted to try doing that once. He he...

I wanted to try doing that once. He he...
(arrow pointing up) It became that sort of plan.

And so, please read the 15 columns and the 6 pages at the end of the volume in your free time.

(laughs)
Come on, come on ♫

After school yesterday,
the two were embracing.
YOU DID SEE THAT YESTERDAY.
Ran had his arms around her.
It wasn't one-sided either.
Was that...
BUT I'M SURPRISED YOUR MORALE IS SO HIGH.
DID YOU PAY MORE ATTENTION TO YOUR HAIR OR SOMETHING?

# Popularity Poll 2

In the issue Chapter 9 appeared in, there was a popularity poll for the characters of RockHev. This sort of plan is a first, so I'm excited and predicted the results.

By the way, these (arrow downwards) are my predictions.

| | |
|---|---|
| 1st place | Sawa |
| 2nd place | Ran |
| 3rd place | Kido |
| 4th place | Akira |
| 5th place | Tsubaki |

The results are in the next column, [3]. Come on, you guys predict too!

WHAT DO I DO?
SHOULD I ASK ABOUT YESTER-DAY?

Popularity Poll Results

# 3

It actually turned out this way.

| | | |
|---|---|---|
| 1st place | Sawa | ← As predicted |
| 2nd place | Ran | ← As predicted |
| 3rd place | Ogawa | |
| 4th place | Sachi | Oh?! |
| 5th place | Akira | |
| 6th place | Tsubaki | |
| 7th place | Mama | |
| 8th place | Kido | Oh no! (laughs) |
| 9th place | Yuri | ← As predicted |
| 10th place | Taguchi | ← As predicted |
| 11th place | Papa | |

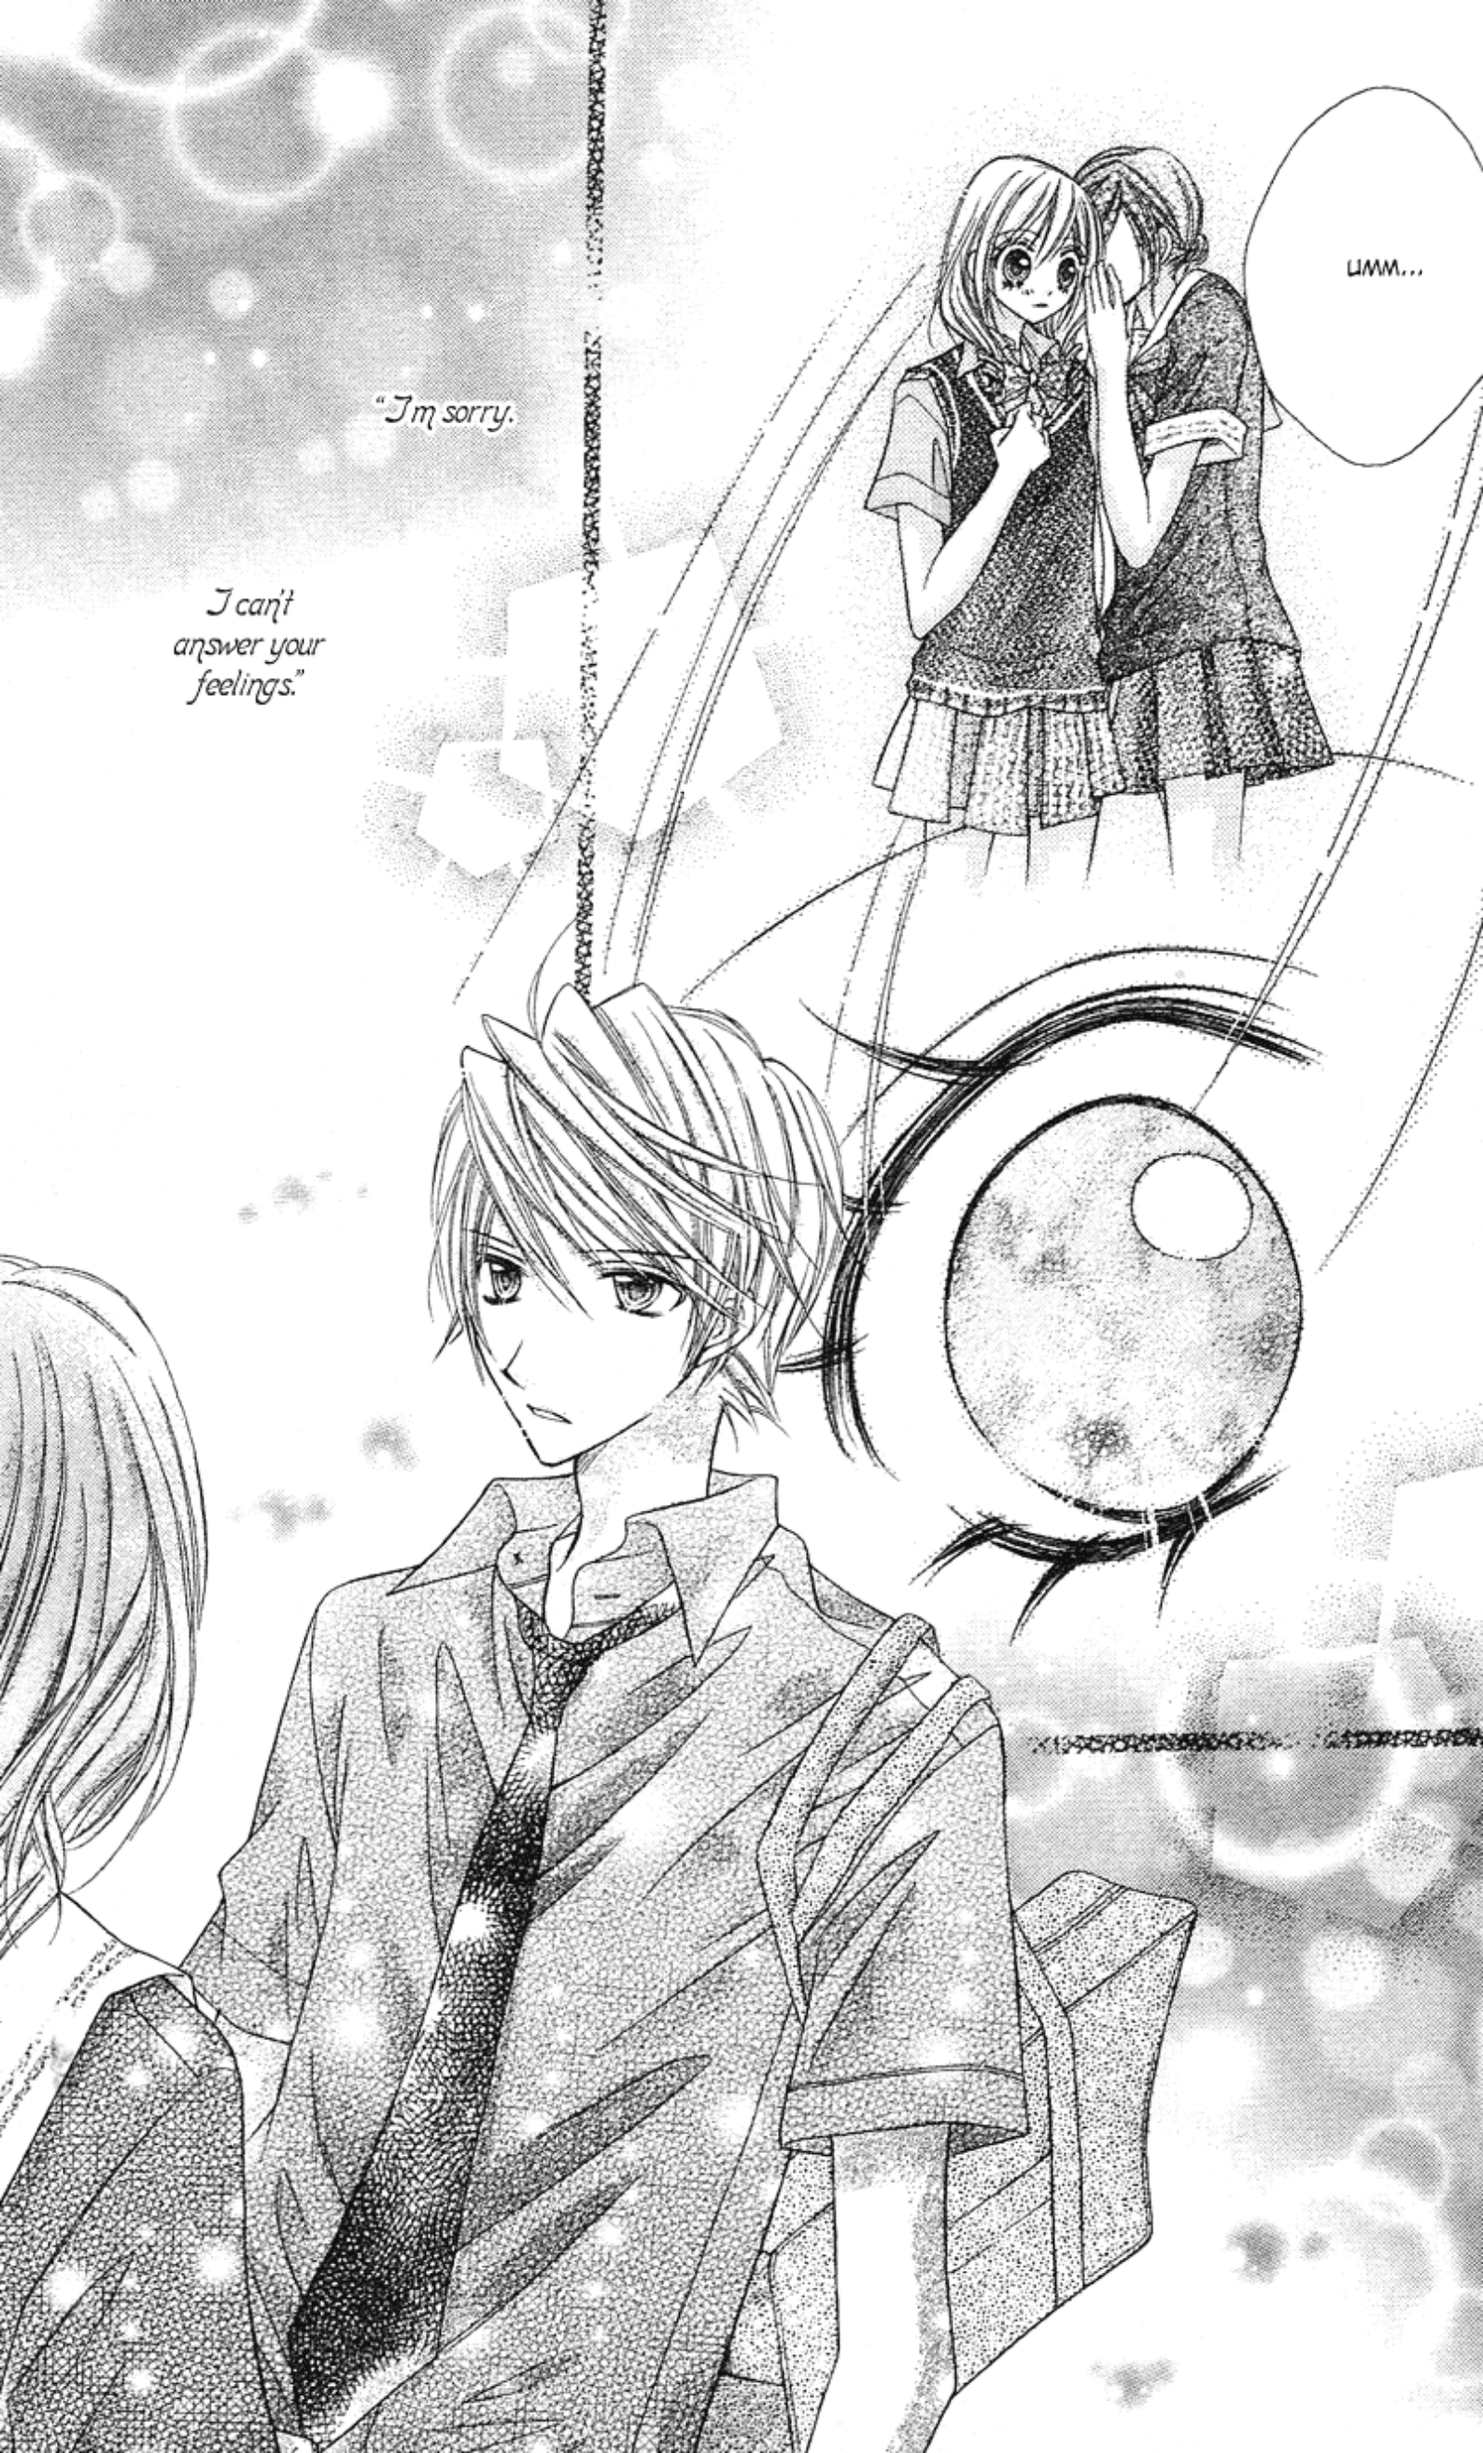
By the way, Sawa had the most votes by a wide margin. Also, Ran had about three times as many votes as Ogawa. The two protagonists are so strong.

ACTUALLY,
I SOMEHOW KNEW I WAS GOING TO BE REJECTED.
RECENTLY, I SEE EVERY-ONE ON MY WAY HOME.
KONISHI-SAN ... WAS ALWAYS TALKING WITH YOU SO EN-ERGETI-CALLY.
I THOUGHT THAT WAS AMAZING.
Stop nag-ging!
Even if you say that, no!
I...
...WAS SCARED OF BEING HATED BY YOU,
'CAUSE I COULDN'T SAY ANYTHING EXCEPT, "I LIKE YOU."

I'M SORRY
FOR SAYING THAT IT'S YOUR FAULT.
IT'S NOTHING TO APOLOGIZE FOR.
IT'S TRUE YOU WERE HURT,
AND I THINK IT'S MY FAULT FOR NOT TRYING TO UNDERSTAND YOUR FEELINGS.
DID KONISHI-SAN TELL YOU THAT?
...
HUMPH,
EVEN THOUGH I WAS THE ONE WHO FELL FOR YOU FIRST.
BUT IT'S...

...NOT LIKE
I DON'T LIKE YOU.
WHAT'S THAT?
ARE YOU TRYING TO MAKE ME FEEL BETTER?!
I'm not happy at all!
...
BUT,
THANK YOU.
LOOK, LOOK!
IT LOOKS SO PRETTY AFTER I HAD THEM BLOW-DRY IT!

KONISHI-SAN, ARE YOU REALLY ALL RIGHT?
Ah, I'M COMPLETELY OK.
ACTUALLY, I WAS LUCKY THE HAIRCUT WAS FREE!
Why?
I'll just have Ran pay for the cost when he becomes successful.
ISN'T IT WORSE THAN BEFORE?
Wha—?! ARE YOUR EYES KNOT-HOLES?!
Look at the movement of these strands!
HEY,
HAVE YOU CONFESSED TO RAN?
H-
HUH?!
That was so sudden!
IT'S BEST THAT YOU DO, DEFINITELY.
I'LL TELL YOU WHAT RAN SAID WHEN HE REJECTED ME YESTERDAY.



umm...
"I'm sorry.
I can't answer your feelings."

"Right now,
I have someone I like."

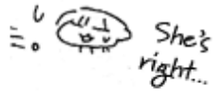
## CHAPTER 10 COVER PAGE + α

Spoiler Warning!

This picture was accidentally drawn on the first page of a new sketchbook. The spread of the ink was incredibly bad. swirly (This arrow pointing to the word "page" has ruined drawings many times (I think), so I always avoid it.) The butterflies took more time to draw than Ran.

This chapter--how to put it--I put all of my effort into drawing. (No, drawing always requires all my effort, by definition! *laugh*) I mean, it's the special chapter where they start mutually loving each other, so I drew it so I wouldn't regret what I drew. (Right at the very beginning, my pen went through the last kiss scene. It's a curse for including such intimate feelings! *laugh*)

The Dramamine Sawa has was comically drawn as "Gerorin*" at first, but my Assistant-san said "He's going to throw up if he takes that!" So, it's now Geropita.



Note: *Gero means disgusting. Rin is an endearing term, like -chan. Pita means fix well.

Recap on the Popularity Poll

# 4

At any rate, I was surprised Ogawa was in third place. Was it because he did something in the issue the poll was in? *sweat*

And Kido, *laugh* do your best! *laugh*

Right now, in real time, I'm talking about Kido in this magazine (the March issue of 2007). I'll do my best so that he'll have a bit of a higher rank if we do the popularity poll again. *sweat*

Huh? What about Taguchi?

You know, after these results came out, I noticed something after my assistant pointed it out. The order the male characters rank coincide amazingly well with the rank of my personal favorites. *sweat*

Did I really show it subconsciously in my drawings? Hmm... *sweat*

It's not every day she's popular, so I want to try drawing an extra short chapter on Sachi.

Jeez, this is no time to get bus sick!
Oh, brother!

# Clothes 5

The clothes I bought recently wouldn't fit into my closet, no matter how I tried, so I had to dispose of the clothes I hadn't worn in a long time.

So, after I tried to hang the old and newly bought clothes together... Well ... it was amazingly black.

Somehow... people who wear colorful clothes are amazing, aren't they?

Winter clothes.

No matter what I do, my clothes never fail to be black. *sweat*

Wait, first off, I'm not even the right age to be called a girl.

However, this winter, thanks to leggings coming into fashion, I'm a little less opposed to skirts. It's fun looking for a particular one-piece dress... I'm short, though, so it doesn't really suit me. *sweat*

I didn't used to like skirts. In my high school (one without uniforms), I only wore skirts three times in the whole three years.

Two of those times were the entrance ceremony and the graduation ceremony. Do those count as skirts? *sweat*

# 6

...Even saying that, I've been really concentrating on work, so I've seen only one since last summer.

Black & White
I knew it was an anime movie based on Matsumoto Taiyou's work without being told. Hmm. Anyway, the art! The art was really amazing! Just how many months did they spend drawing that? They skillfully gave their all to the look of the world filled with the colors of junk that Mayu-poso rrreally loves.

Also, I'm one of those people against voice actors doing such voices in anime movies, but I was really happy! Aoi Yuu-chan did rrreally well, and I fell for her! I can't seem to get all the dialog and art by watching it just once. I have to concentrate more!

I hope it comes to DVD, soon!

I CAN'T BELIEVE YOU! I CAN'T BELIEVE YOU!

## About the Cover Drawing on Chapter 11 + α

It's a drawing I made using mainly red color. I drew it without much dedication but it was widely liked. What could it be...? Red's magic power? (LOL)

This time ? well, I kinda don't like to say such and such?
But, I'll say such and such in this Chapter 13's space. (So, finally I will.)

It's hard to draw plain-hair when Akira and Tsubaki are in the same scene?
Just between us, later there will be a chapter full of plain-hairs, so I will practice my plain-hair so that I can speed up and schedule my work with careful planning? Long hair is OK, but when it comes to ponytails or other styles, the drawing gets so... Oh, god?. (LOL)

I'm so happy that my tears are starting to fall...
OH!
RIGHT!
HEY,
LET'S NOT DO ANYTHING LIKE THIS IN FRONT OF EVERYONE.
HUH?

HUH?
WHAT DO YOU MEAN...?
WELL, IT'S KINDA EMBARRASSING...
...TO BE SEEN LIKE THAT.
Embarrassing...
...
...
SEE?
...YEAH, IT'S EMBARRASSING...
Tried to imagine it

so, it probably won't be good to introduce such a change.
Everyone's important to Ran.
Right.
I understand.
Hmm
KONISHI...
RAN...
But,
TRUTHFULLY, IT'S A LITTLE DISAPPOINTING...

TSUBAKI.
IT'S ALMOST TIME FOR LIGHTS-OUT.
Come back quickly.
LET'S GO...

# Q&A 7

So, as I wrote in the book's column 6, since the book started being sold, until the end of 2006, I was half hid-away and couldn't get any funny info from the outside.

So, after a long time, I will answer some fan letters that I chose. I will answer to Mayupon and Sekirara!

First letter
From Hiroko of Aichi Prefecture.

Q: Sensei, do you also feel embarrassed when you see your drawings from X years before?

A: OF COURSE. But, basically, all embarrassing pictures have been disposed of, so there is no problem. Those that are made to be my "products" are only alive. And, also those that I don't feel embarrassed of. I sometimes like my 9th grade drawings. But, those that I made as professional ... I can't do anything about them myself ... even if I feel embarrassed by them.

Cramming on Homework
Why didn't you do it earlier?
*Again at Ran's House
Shut up and let me copy it!!
Tsubaki, how about here?
End of August to—

OH, GOSH.
I COULDN'T GO ANYWHERE EXCEPT FOR MY GRANDMA'S HOUSE.
And, nearby places.
I COULDN'T EVEN GO ON A DATE.
RAN.
GOOD MORN-ING...
OH, DAMN. I WISH ALL MY LIFE WAS A SUMMER BREAK!!
MY BROTHER TOLD ME THAT SUMMER BREAKS MAKE HIM KIND OF NOSTALGIC.
To make every day Sunday, for example.
KNOCK IT OFF AND FINISH YOUR HOME-WORK
We have to turn it in today.
Home-work that couldn't be finished after all

'Morning.
ba-bump
Wow!
It's been a while since I saw him wearing a school uniform...
GOOD MORNING!
YEAH.
MORNING.
A greeting that's the same as usual, yet not exactly the same.
I think
MAYBE A HIDDEN RELATIONSHIP MIGHT BE JUST AS DELIGHTFUL...
DUMP
ba-bump

GOOD MORNING,
AKIRA-CHAN!
Wow,
I HAVEN'T SEEN YOU SINCE WE WENT TO THE BEACH.
Ah,
YOU DIDN'T GET A TAN.
IT'S BE-CAUSE YOU SAID YOU WERE GOING TO DRAW A MANGA, RIGHT?
WERE YOU ABLE TO DRAW IT?

HOW—
HEY! KONISHI!! NAGASHIMA, TOO!
LOOK AT THIS!
It's worth a laugh.
YEAH ...
I PRESENTED IT YESTERDAY.
Really?
AWESOME!!

WHAT IS IT?
We're talking right now.
I DON'T CARE, JUST COME.

What?

Kido, did you finish your homework?

Continuation of Q&A

# 8

The second letter is from Mio-chan of Yamagata Prefecture.

Q: I have goldfishes, can you baptize them? (2 goldfishes)

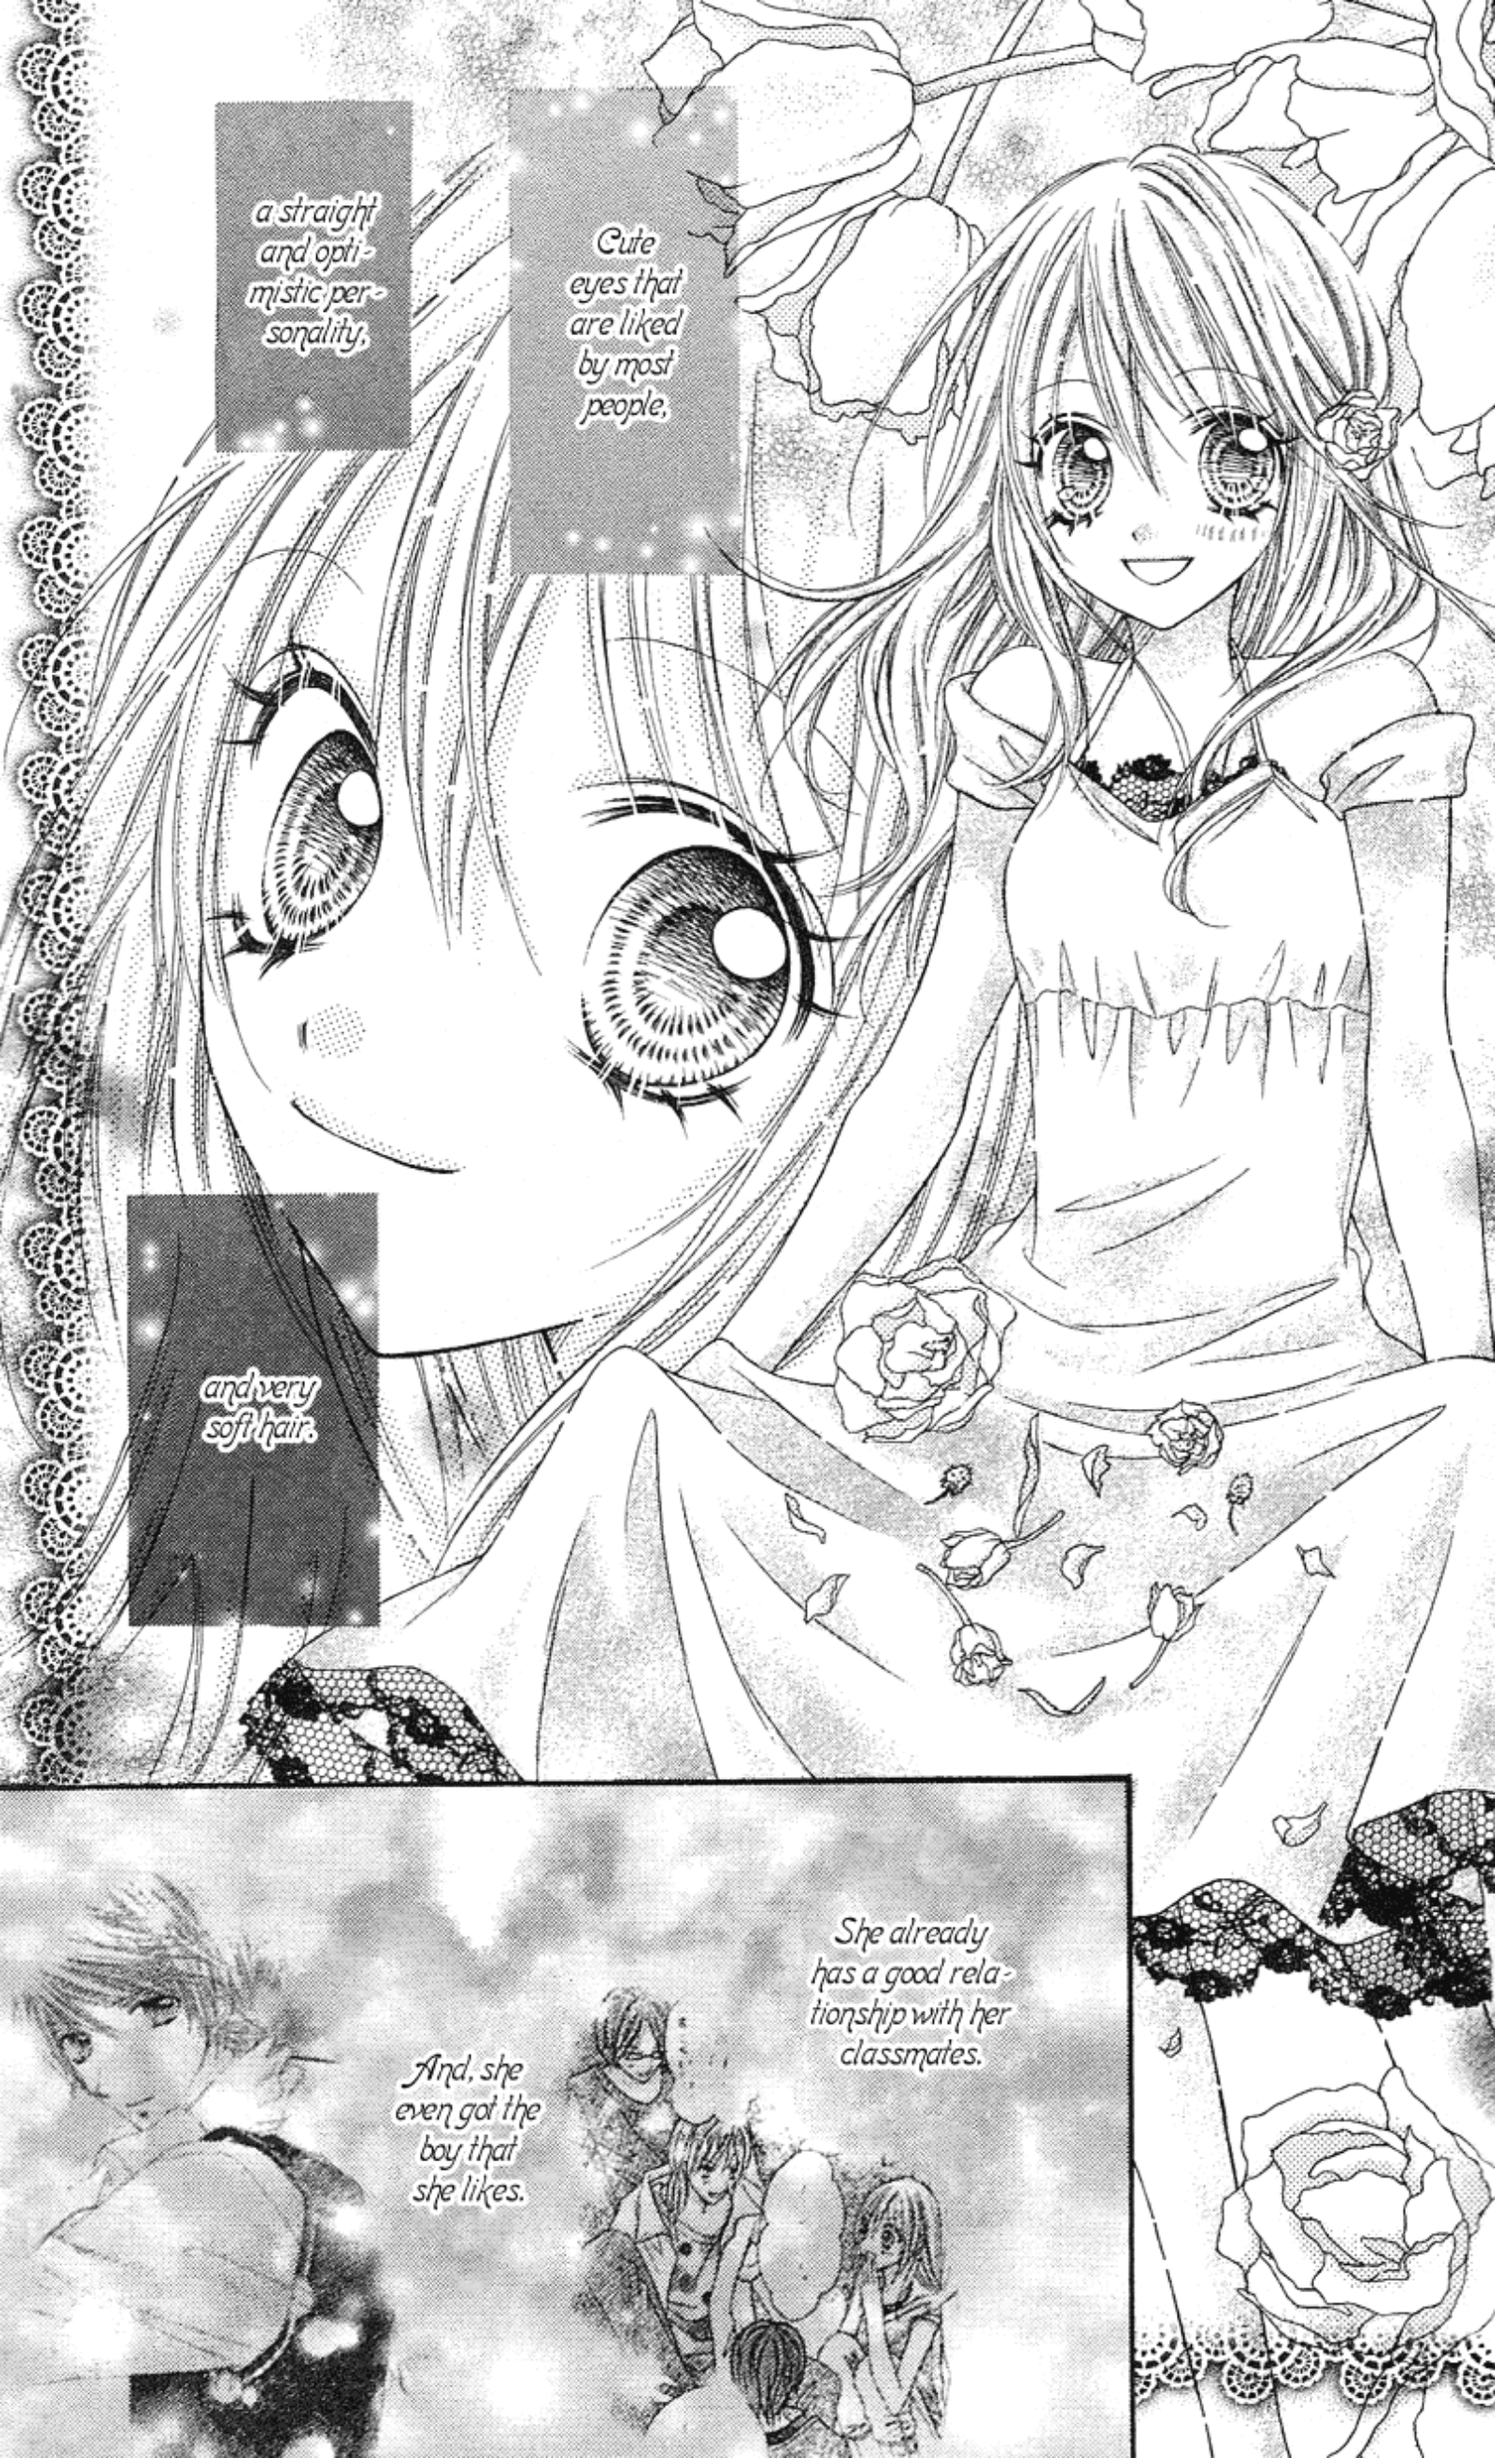
A: OK, leave it to me. First, Robert. Second, Deniro.
.... Eh? Don't like it?
... How about Kin-chan and Toto-chan.

Well, next!
Yuripon-chan from Saitama Prefecture

Q: Sensei, did you have a boy who you liked in primary school?

A: Yes, yes, super yes. Each day in primary school was fun. The most funny part is that each change of classrooms meant a different boy. (LOL) So, I had 3 boys that I liked.

So easy to understand...



a straight and optimistic personality,
Cute eyes that are liked by most people,
and very soft hair.
She already has a good relationship with her classmates.
And, she even got the boy that she likes.

Continuing Q&A 9

Q. How far is Sawa's house from Tendou Institute?

A. Oh! Interesting Question. Sawa's house is about five stations by train and eight minutes walking, at least as an image. By the way, Ran, Ogawa and Tsubaki are all in a distance that allows them to go to the institute walking. Taguchi goes to the institute by train, Kido by bus. The five boys aren't that far from the institute. And, Akira is the furthest of them all. Besides, arriving by train means changing stations.

...I have never felt...
...that school is fun.

Huh? What are you draw-ing?
Nagashima-san.

NAGASHIMA?

I WAS WORRIED BECAUSE YOU WENT OUT AND DIDN'T COME BACK YET.

Rockin' Heaven

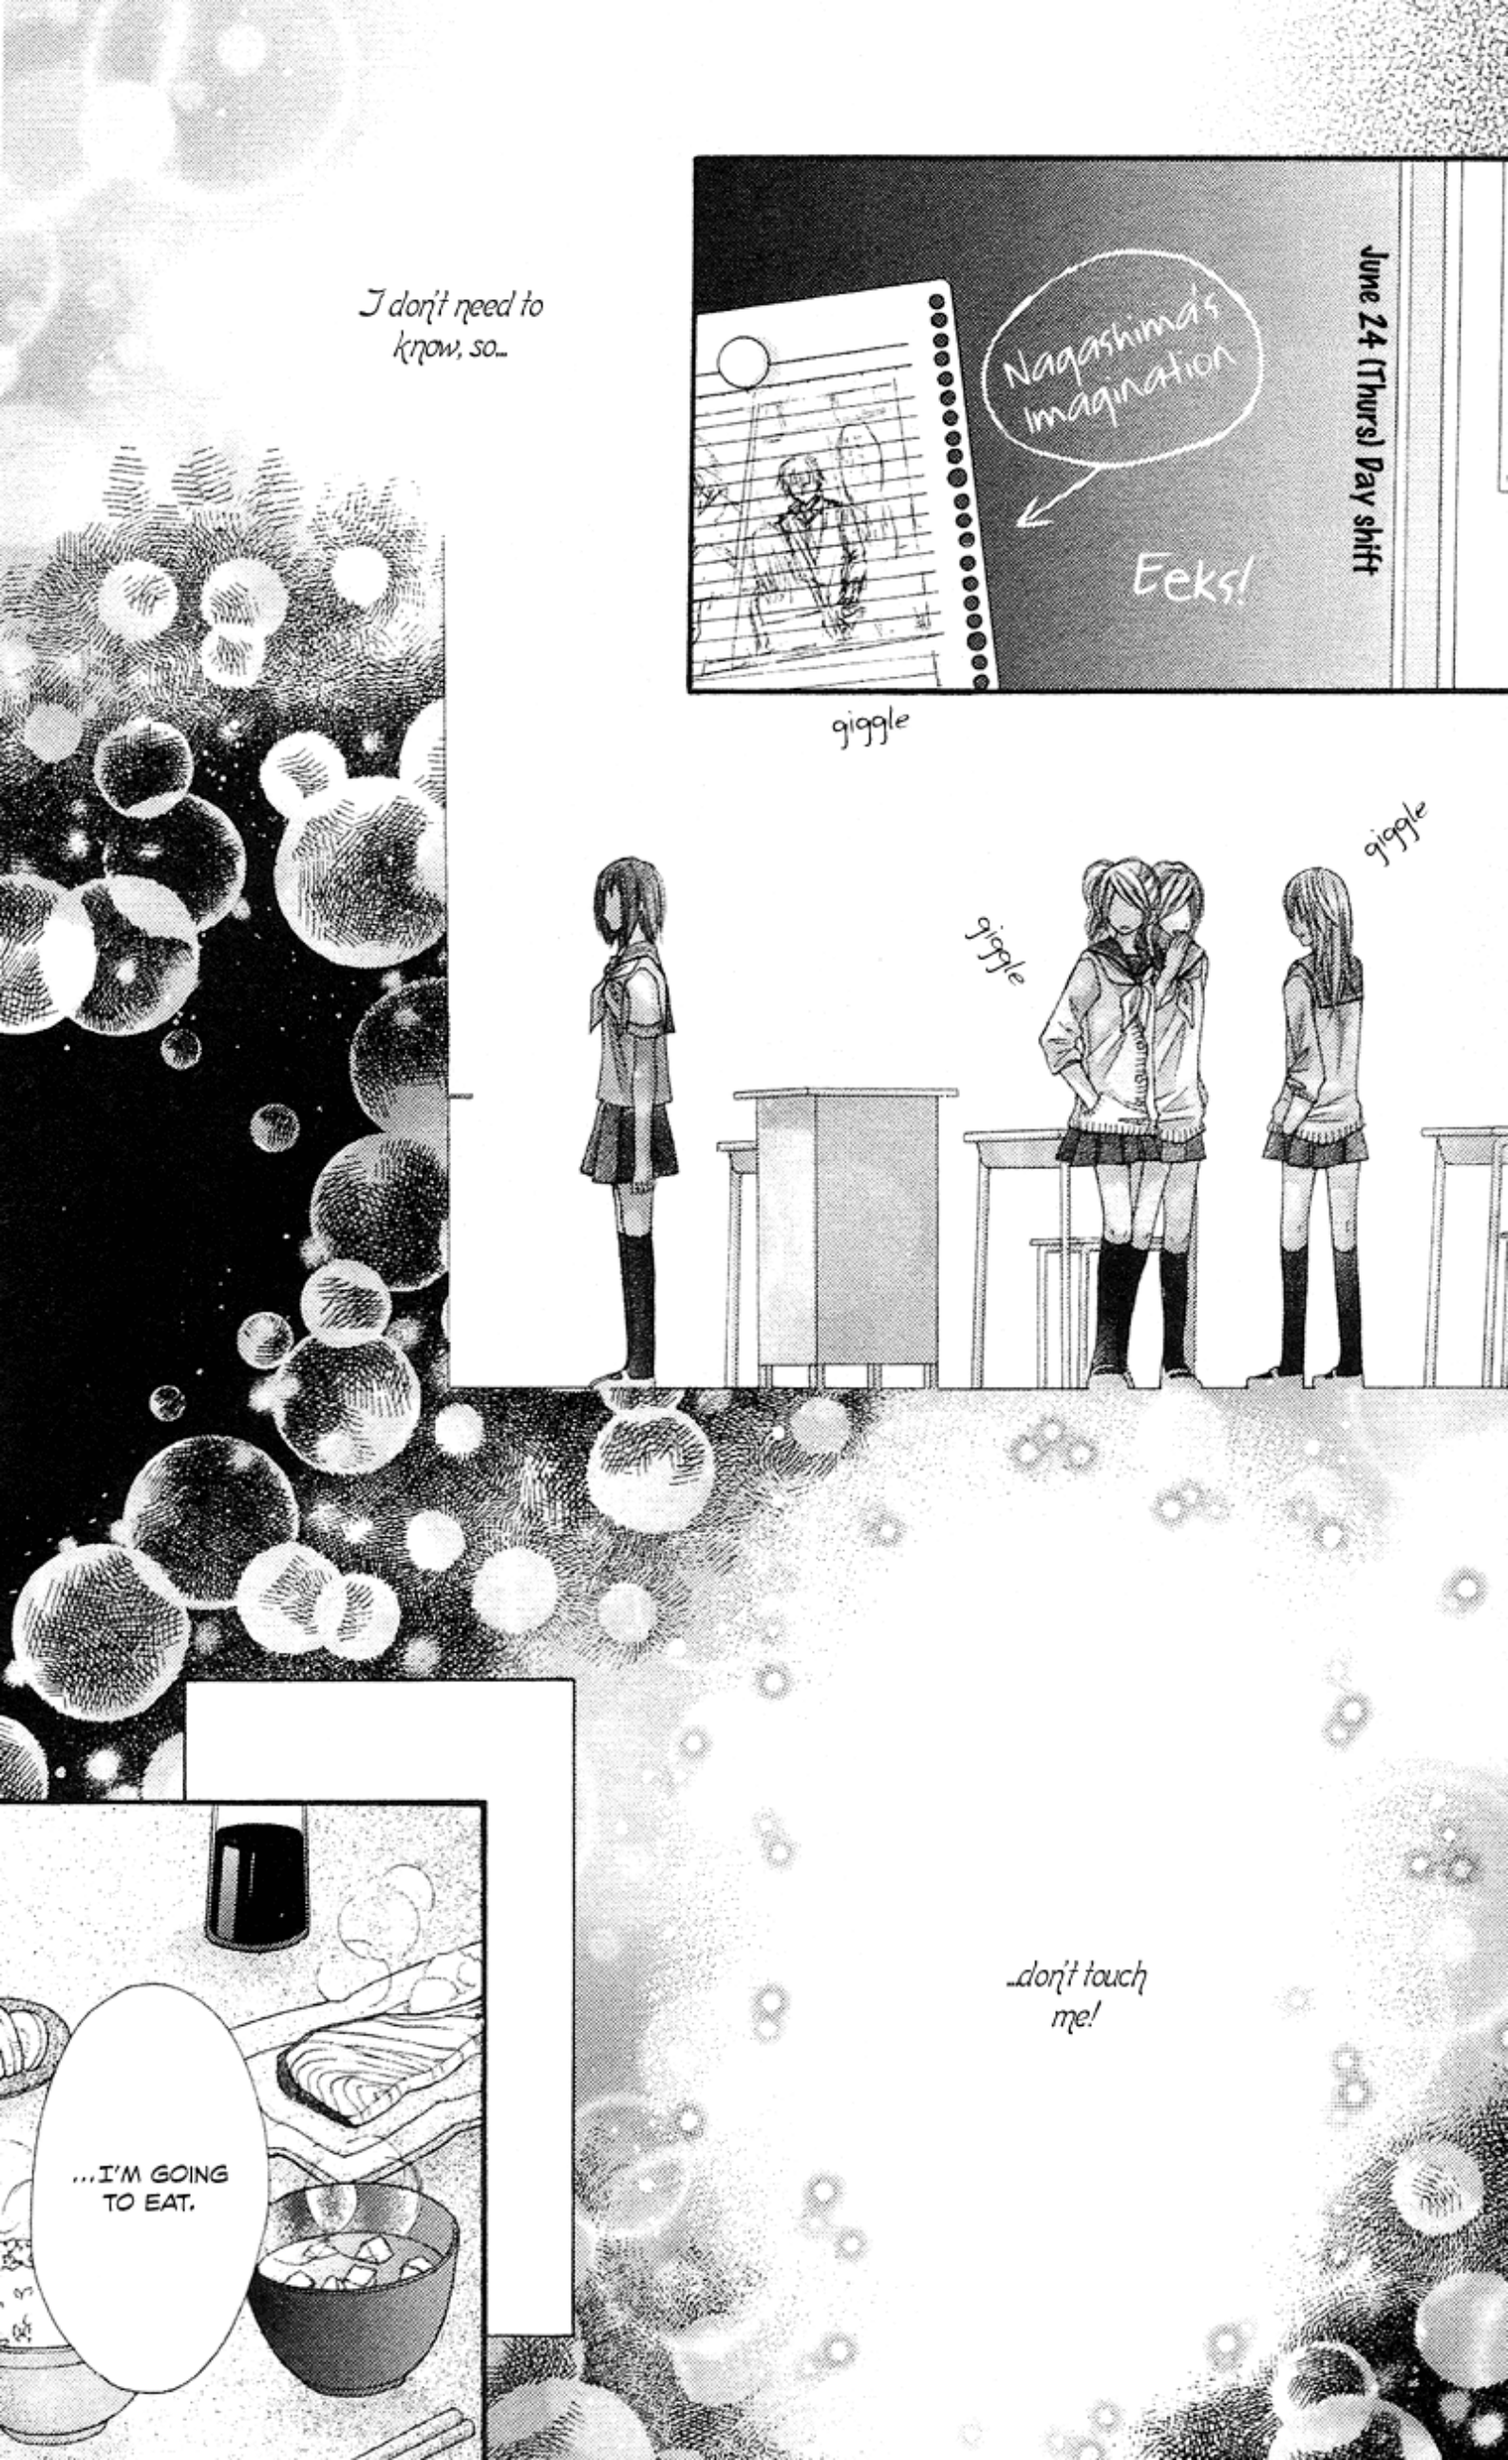
## About the opening drawing of Chapter 12 + α

It's the first chapter that I did continuously in two books.

This picture drawing process was transmitted by my blog (URL shown on the last page of the omake)... But, I can say this because I finished (LOL), that I got tired of transmitting the process to the point where I started to draw in Mayupo's hair color filling. So, the last part was like "whatever."

I think this kind of attraction only happens at that time and that's it...
If anybody's interested, please, see it. It's a blog made around 2006, an entry from September 30th to October 2nd.

I was filling in the colors of all the balloons in this chapter's cultural festival and I got scolded by my assistant who said, "Stop filling those things and keep drawing." Rightly said. (For the 2nd time.)



I don't need to know, so...

Continuation Q&A 10

# 10

Q: What is the meaning of Rockin' Heaven?

From Kimi-chan of Akita Pref. and a lot of other people

A: This is easy to answer, and, I could answer it in 10 seconds but, I want everyone to wait for the last chapter. (LOL) I mean, there is no deep meaning into this and someone with a sharp mind (or Adult) could know the meaning already. But, I prefer not to say anything from my own mouth. I feel like, if I explain it, the last comment I plan to use for the last chapter will lose half of its charm. So, more or less, that's how it is.

Q&A is still open! I want to repeat the section so, if you have any questions, send it without mercy! La la la la!

GOOD MORN-ING ...
Haaaa
Did I do something without knowing for her to say something like that?
munch
munch
Why did she say something like that...?
MAYBE I WAS TOO DUMB?
She's my friend...
...and, there's a lot that I don't know.
I SEE. ON SECOND THOUGHT, AKIRA-CHAN...
...TALKS ABOUT OTHER PEOPLE, BUT NEVER ABOUT HERSELF.

DID YOU HAVE A FIGHT WITH NAGASHIMA?
...IT'S JUST THAT YOU TWO HAVEN'T BEEN TALKING LATELY.
SO, I THOUGHT MAYBE SOMETHING HAPPENED.
WHA—
WHAT?
RAN, NOT SO DIRECTLY!
I told him to approach more naturally!!
THAT'S
WHAT TSUBAKI SAID...

"... I LIKE TO BE ALONE, SO, DON'T MIND ME."
THAT'S
WHAT SHE SAID TO ME, SO...
IT WASN'T ...
A FIGHT.
WHY SO SUDDENLY?
Huh?
EHH? BUT,
NAGASHIMA SEEMED TO BE HAVING FUN WITH US WHEN WE ALL WENT OUT TOGETHER.
WAS SHE REALLY SO DISGUSTED?
RIGHT?
SO, I DIDN'T KNOW EITHER—
REALLY?

THAT TIME,
I FELT LIKE I DIDN'T BELONG THERE.
AKIRA-CHA—
ERR, NAGASHIMA?
DON'T SAY SUCH A TERRIBLE THING.
YEAH, LET'S HANG OUT LIKE WE ALWAYS DO.
OK?
Hare

SORRY...
...WHY?
DID I DO SOMETHING?
I CAN'T KNOW IF YOU DON'T TELL ME.
YOU WOULDN'T UNDERSTAND EVEN IF I TOLD YOU.

# Wii. 11

I played it on New Years (I mean, the day before yesterday)! A friend brought it. I played ... WarioWare: Smooth Moves, was it?

It's a game that you dance while standing up and move your hips, but, I felt lazy and I only moved the Remote Control and I got a storm of Boos from the gallery. (LOL)

That's why I told her that I'll just watch (LOL) And, I thought Zelda was a Fishing game. (By the way, I thought Animal Crossing was also a fishing game.)

In spring of 2007, Fenix Wright will come out! I can't wait!! Dragon Warrior 9 will also come out in 2007?? I was quite shocked that the battle will change into action.

* * *

It's hard for me, a person who couldn't even handle the FF12 battle...

...?
YOU DON'T SEEM TO HAVE ANY COMPLEXES OR MATTERS TO WORRY ABOUT.
It makes no difference to me though.
BUT, THERE ARE PEOPLE WHO DO HAVE THEM.
IT'S DIFFI-CULT ...
Ugh...
Is it?

# 90s Music 12

Starting from the opportunity to buy ZARD's best DVD, I fell again for 90s music. Music that I liked from primary school fifth grade to secondary school second grade. I really, really liked WANDS and ZARD, but, I think by Record Company's Policy, there was almost no media exposure of these two groups. It applies to ZARD
even now. There weren't so many music related programming. So, I used to record the channel that played the promotion video like crazy. Huh-hm.

And, about WANDS, I liked the guitarist, Shibasaki-san. So, I checked up on what he has been doing and I realized he formed a band with Nishikawa and is even writing a blog. In the old days, it was so difficult to get information, and now, he's even part of a TV show!!

It became a good time, these times. And, he looks good even now.
And, what I was trying to say is that I concur to my father's "Blue Chateu is a famous song" feeling. Songs from the teenage years are special.
